2.5 MIDLAND DOHERTY LIMITED

IN THE MATTER OF THE SECURITIES ACT
R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF MIDLAND DOHERTY FINANCIAL CORPORATION

AND

IN THE MATTER OF MIDLAND DOHERTY LIMITED

RULING
(Section 73(1))

UPON the application of Midland Doherty Financial Corporation ("MDF") to the Ontario Securities Commission (the "Commission") pursuant to Section 73(1) of the Securities Act, R.S.O. 1980, c. 466 (the "Act");

AND UPON being advised that:

- (i) MDF is a holding company holding all the issued and outstanding shares of Midland Doherty Limited ("MD");
- (ii) MDF proposes to distribute by way of prospectus common shares in the capital of MDF;
- (iii) MD is registered as a broker and investment dealer under the Act;
- (iv) in anticipation of the proposed offering of the common shares, MDF has restricted the issue, ownership and transfer of its common shares to address the requirements ("Requirements") of Ontario Policy Statement No. 4.1 and to comply with the by-laws of self-regulatory organizations including The Toronto Stock Exchange and the Investment Dealers Association of Canada;
- (v) the Requirements in effect prohibit any one person or company and his or its associates or affiliates, other than certain prescribed "industry investors" from owning or exercising control or direction over more than 10 per cent of common shares of MDF;
- (iv) to effectively implement the Requirements, the registration of MD should be appropriately conditioned;

AND UPON being satisfied that the making of this ruling would not be prejudicial to the public interest;

IT IS RULED pursuant to section 73(1) of the Act that MDF is not subject to section 24 of the Act provided that MD complies with all requirements applicable to a broker and an investment dealer under the Act and regulations made thereunder and provided further that:

- (a) no person or company and his or its associates or affiliates, other than an industry investor or MDF shall, directly or indirectly, beneficially own or exercise control or direction over the voting securities of MD; and

- (b) no one person or company and his or its associates or affiliates, other than an industry investor, shall, directly or indirectly, beneficially own or exercise control or direction over voting securities of MDF carrying more than 10 per cent of all votes attached to the issued and outstanding voting securities of MDF;

but notwithstanding the foregoing, the beneficial ownership of, or control or direction over, voting securities of MDF may be held in such manner that the condition of clause (b) hereof is not complied with, if the beneficial ownership of, or control or direction over, such voting securities is acquired by a broker or dealer in securities in connection with the underwriting or trading of the voting securities of MDF or the holding of the voting securities of MDF in street name for client accounts in the ordinary course of the securities business.

For the purposes of this ruling "industry investor" means any of the following that beneficially own any securities issued by MDF or MD:

- (i) a person is a full-time officer or employee of MD or MDF;
- (ii) the spouse of a person referred to in subclause (i);
- (iii) a personal investment company where:
 - (A) a majority of each class of the voting securities of the personal investment company is held by one or more persons referred to in subclause (i); and
 - (B) all interests in all other equity securities in the personal investment company are beneficially owned by:
 - 1. one or more persons referred to in subclause (i) or (ii),
 - 2. one or more plans, funds or trusts referred to in subclause (iv), (v), (vi) or (vii), or
 - 3. a combination of such persons, plans, funds or trusts;
- (iv) a registered retirement savings plan established under the Income Tax Act (Canada) by a person referred to in subclause (i) or (ii), where control over the investment policy of the plan is held by that person and where no other person has beneficial interest in the plan;
- (v) a pension fund established by MDF or MD for their respective officers and employees, where the pension fund is so organized that the full power over its investment portfolio and its exercise of voting and other rights attaching to instruments and securities contained in the portfolio is held by one or more persons referred to in subclause (i);
- (vi) a family trust established and maintained for the benefit of the children of a person referred to in subclause (i) or (ii), if,
 - (A) full direction and control of the family trust, including without limitation, its investment portfolio and the exercise of voting and other rights attaching to instruments and securities contained in the investment portfolio, are maintained by either or both the person and the person's spouse, and

(B) all the beneficiaries of the family trust are children of a person referred to in subclause (i) or (ii) or are investors approved as industry investors with respect to MDF or MD, as the case may be, and

(vii) the estate of a person referred to in subclause (i) or (ii);

The ruling shall expire and cease to have any force or effect on the date that a Regulation to amend Regulation 910 of the Revised Regulations of Ontario, 1980 made under the Securities Act (Ontario) concerning Public Ownership Restrictions comes into force.

CHAPTER 5

POLICIES

5.1 O.S.C. POLICY 5.8

O.S.C. POLICY 5.8

FINANCIAL FORECASTS

It has been the Commission's long standing policy generally not to permit the inclusion of forecasts in documents filed with the Commission. However, on the basis of the information obtained over the years in discussions with interested parties and taking into consideration the recommendations of the Select Committee on Company Law contained in its 1973 Report to the Legislative Assembly on Mergers, Amalgamations and Certain Related Matters (Chapter 19 - Financial Forecasts), the Commission concluded that changes in its present policies with regard to use of forecasts would be in the public interest. The most significant factor on which the Commission based its decision was the increasing recognition of the relevance of future oriented data in investment decision making. The Commission found it difficult to justify a position that estimates as to the corporation's future expectations should be denied to investors as a matter of policy.

The following are the key elements to the Commission's policy on forecasts.

First, and most crucial, is that of full disclosure of a forecast in the prospectus if the forecast is going to be used in connection with the distribution of securities. The basic decision on public forecasting is left with the issuer. Nobody will be required to issue forecasts. Any obligation to disclose will not come into play until a forecast is used in connection with the distribution of securities.

The second key element is to set certain guidelines by way of policy statement which would allow reporting issuers, who wish to do so, to include forecasts in prospectuses, take-over bid circulars, issue-bid circulars and information circulars.

The third key element concerns the desirability of review of forecasts by an independent public accountant. It is the view of the Commission that generally accountants' comments are desirable. However, the Commission recognizes that in certain circumstances the Director should have the discretionary authority to permit or require deviation from this principle.

While the Regulation under the Securities Act (O.Reg. 808/82) deals with forecasts in prospectuses only, the Director will not normally object to forecasts being included in other documents filed with the Commission under Part XVII (Continuous Disclosure), Part XVIII (Proxies and Proxy Solicitation) and Part XIX (Take-over Bids and Issuer Bids) of the Securities Act.

The following guidance is provided for the benefit of issuers who wish to include forecasts in prospectuses and other documents filed with the Commission:

1. A forecast must be made in good faith and prepared in accordance with the CICA Accounting Guidelines and reviewed in accordance with CICA Auditing Guidelines.
2. The decision whether to publish forecast data and the responsibility for the published data rests with the issuer. In arriving at the decision, the issuer must consider, among other things, whether there is a reasonable basis for issuing a forecast. In this connection, among the factors to be considered are a history of operations and experience in budgeting. However, the Commission recognizes that such history and experience may not be necessary in all circumstances to provide reasonably based forecasts.
3. The forecast must include an estimate of earnings or a range of earnings.
4. A forecast must be reviewed regularly to identify significant changes resulting from events that have occurred since the forecast was issued. During the forecast period, each financial report issued to the shareholders must contain either a statement that there are no significant changes to be made to the forecast or an updated forecast accompanied by explanations of significant changes. The date of the original forecast and the date of the update must also be disclosed.

If an unusual event occurs which has a significant effect on a previously published forecast, the financial impact of which cannot be currently determined, the issuer should withdraw the forecast. Examples of such an event might be a strike, a law suit, government action, legislation or a natural disaster. When a forecast is withdrawn the reasons for the withdrawal must be clearly stated.

5. A forecast, as initially reported, must be compared with audited actual results in the issuer's annual financial report and the reasons for significant differences, if any, must be disclosed. Forecasts issued for an interim period must be compared with actual interim results in the subsequent interim report and reasons for significant differences, if any, must be disclosed.
6. The forecast included in a preliminary prospectus must be accompanied by comments of the auditor of the issuer. The comments must be signed or, in the alternative, where the comments are not signed there must be filed, at the time the preliminary prospectus is filed, a letter addressed to the Commission and signed by the auditor in which he shall make such statement with respect to his review of the forecast as may be appropriate in the circumstances and acceptable to the Director.

7. In a takeover situation where it is not practicable to have the forecast reviewed by the auditor, the Director will not object to the use of a forecast without the comments of the auditor, provided that the forecast is accompanied by a statement signed by the chief financial officer of the issuer stating that the forecast was prepared in accordance with the requirements of the CICA Accounting Guidelines.
8. Where in a prospectus, take-over bid or directors' circular, an issuer includes forecast data for a company that it is proposing to acquire, the forecast of the latter must be one that has been prepared by such latter company for inclusion in the documents of the issuer and is specifically disclosed as such.
9. The guidelines adopted by the Commission in this policy may not apply to issuers of what is referred to as tax shelter securities in that very often meaningful future oriented information for these securities may involve different considerations from those used in formulating this policy. Reference therefore is made to OSC Policy 5.5 (Prospectuses for Real Estate Oriented Securities) and, if Policy 5.5 does not apply issuers should consult the Director for guidance prior to filing a preliminary prospectus.

1.1 O.S.C. POLICY 6.2 - RIGHTS OFFERINGS

O.S.C. POLICY 6.2 - RIGHTS OFFERINGS

AMENDMENT

An amendment to O.S.C. Policy 6.2, relating to rights offerings, appears in Chapter 5 of this edition of the O.S.C. Bulletin and takes effect immediately. The amendment reflects certain comments received on the draft amendment published at OSCB April 22, 1983, page 655. The amendment, which is incorporated into O.S.C. Policy 6.2 as paragraph 6 of Part VI, states that the Commission would consider taking appropriate enforcement action against an issuer and its directors and officers where the issuer makes a rights offering which excludes Ontario security holders and:

- (a) the issuer is a reporting issuer, or
- (b) the issuer is a non-reporting issuer which has either:
 - (i) more than 5% of the holders of the issued securities of the relevant class, or
 - (ii) holders of more than 5% of the issued securities of the relevant class,

resident in Ontario.

RULING
(Section 73 and 140)

UPON the application of A. E. LePage Limited ("LePage") to the Ontario Securities Commission (the "Commission") pursuant to section 140 of the Securities Act, R.S.O. 1980, c. 466 (the "Act") for revocation of a ruling (the "Previous Ruling") dated February 2, 1981, pursuant to section 73 of the Act, with respect to the issue of securities of LePage to employees of A. 3. The Previous Ruling provided that the issue of securities of LePage to the bona fide full-time employees of Ontario pursuant to LePage's Employees' Stock Purchase Plan was not subject to sections 24 or 52 of the Act, subject to certain conditions;
4. Pursuant to Articles of Amendment filed August 25, 1982, Ontario's name was changed to A. E. LePage Real Estate Services Ltd. ("Services");

2. Each Employee Corporation is a "private company" as defined in the Act; and

IN THE MATTER OF ACKLANDS LIMITED

RULING
(Section 73)

UPON the application of Acklands Limited ("Acklands" or the "Company") to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73 of the Securities Act, R.S.O. 1980, chapter 466 (the "Act");

3. No subscriptions have been accepted by the Company or the Agent in respect of the proposed private placement;
4. The Company has prepared a revised offering memorandum in compliance with the Act and Regulation and proposes to send it to the same prospective purchasers to whom the preliminary offering material was sent, and to any additional prospective purchasers; and
5. AND UPON it appearing to the Commission that to so rule would not be prejudicial to the public interest;

NOW THEREFORE IT IS RULED that the issue of 1,000,000 Common Shares of the Company to the purchasers to whom the preliminary offering material was delivered and to any additional purchasers is not subject to section 52 of the Act, notwithstanding section 21(3) of the Regulation, provided that:

1. An offering memorandum in compliance with the Act and the Regulation substantially in the same form as annexed as Schedule "A" hereto is sent to all the prospective purchasers to whom the preliminary offering material was delivered and to all other purchasers;
2. The issue will be to such purchasers or in such amounts that the exemptions in sections 71(1)(a), 71(1)(c), or 71(1)(d) of the Act would otherwise be available;
3. The appropriate filings are made under section 71(3) of the Act as if the trades had been made pursuant to the exemptions in section 71(1)(a), 71(1)(c), or 71(1)(d) of the Act;
4. The first trade in the Common Shares of the Company acquired by the purchasers shall be governed by section 71(4) as if such shares had been acquired pursuant to one of the exemptions referred to in section 71(4); and
5. Each purchaser shall be advised in writing by the Company at the time of purchase of the restrictions contained in paragraph 4 of this Ruling.

AMENDMENT

6. Since a rights offering, in contrast with a new offering of securities, is by definition an offering in which all security holders of the relevant class should have a right to participate, the Commission would find objectionable a rights offering which excludes Ontario security holders where such an offering is made by:

(a) a reporting issuer, or

(b) a non-reporting issuer which has either:

(i) more than 5% of the holders of the issued securities of the relevant class, or

(ii) holders of more than 5% of the issued securities of the relevant class,

resident in Ontario.

Where an offering of this nature is made by any such issuer, the Commission would consider taking appropriate enforcement action against the issuer and its directors and officers.
